

Greetings parents,

It is a pleasure to serve as the Parent Advocate for Minnie Hughes Elementary School. This is my 4th year at Minnie Hughes and my 12th working as a liaison to parents and the community. I am asking for your help in determining what will work best for our students.

This is a draft of the Home School Compact, which outlines the shared responsibilities we have as educators, parents, and students. Your input is needed to help determine if the responsibilities listed are appropriate to support our partnership as stakeholders.

Please make note on this document of any changes you would like to see in our responsibilities. If not, please sign and return to the school by Friday, September 30, 2016.

It is important that we share these responsibilities because it affords us the opportunity to set and maintain high standards for learning. Research proves that when parental involvement is high, student academic achievement will increase. As we work together through this year do not hesitate to ask how you can support and fulfill our Home School Compact, we are all in this together.

Sincerely,

Willie Brooks
